A Minecraft Movie		Jared Hess	Action, Adventure, Fantasy	04/04/2025	120	Welcome to the world of Minecraft, where creativity not only helps you craft but is also vital to survival! Four misfits - Garrett "The Garbage Man" Garrison (Momoa), Henry (Hansen), Natalie (Myers) and Dawn (Brooks) - suddenly find themselves in trouble when they are pulled through a mysterious door leading to the Overworld: a Strange world created by cubes and developed by imagination. To return home, they need to master this world (and protect it from evil entities like Piglins and Zombies) while embarking on a magical adventure with an expert and difficult crafter, measure - Steve (Black). This journey will challenge the courage of all five people, motivating them to rediscover the qualities that make them special... and at the same time the skills necessary to return to the real world.
